Have a little talk with Jesus

af: Brenda Lee

I once was lost in sin but Jesus took me in
Then a little light from heaven filled my soul
He filled my heart with love and he wrote my
name above
Just a talk with Jesus makes it right right right

All right

Just a little talk with Jesus
Tell him all about your troubles
He will hear the faintest cry answer bye and bye
Feel the prayer wheel turning
Know the fire's burning
Just a talk with Jesus makes it right right right

All right

All right, he'll make it all right (repeat)

Just a talk with Jesus makes it right right right all
right

There's a praise

af: ukendt

There's a praise that comes from the inside
When you know how good God has been
It's joy unspeakable
And it's full of glory
It comes from knowing the Lord

I will praise Him with all my strength Xs 4

It's joy unspeakable and it's full of glory
It comes from knowing the Lord

I will praise Him with all my strength Xs 4

It's joy unspeakable and it's full of glory
It comes from knowing the Lord

Are You Listening?

af: Kirk Franklin

He's got the whole world, in His hands.
He's got the whole world, in His hands.
He's got the whole world, in His hands.

Is there anybody out there listening?
And does anybody know my name?
Oh, my friend we were not there
We're here and we care

Does anybody out there know me?
Then stop the clock and make this go away.

And Yes, He feels your pain

"I Believe I Can Fly"

af: R. Kelly

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms
If I can see it, then I can do it
If I just believe it, there's nothing to it

Chorus:

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door

Bridge:

cause I believe in me, yeah yeah.

Chorus2:

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I can fly 8x (11x)
I can fly-eye-eye

I'm Available to You

To show someone the way, and enable me to say
